**SUBJECT: IECEP CELEBRATION OF THE NATIONAL HEART MONTH IN
REFERENCE TO THE BIOMEDICAL ELECTRONICS SPECIALIZATION
PRACTICE**

DATE 05 FEBRUARY 2023

The practice of Biomedical Electronics Engineering as a specialization of the Electronics Engineering profession in the country offers an awesome combination of research and problem solving bannered by our very own Electronics Technicians and Electronics Engineers.

February is the National Heart Month by virtue of Proclamation No. 1096 signed on Jan. 9, 1973 to encourage public support for the advocacy of promoting a lifestyle fit for a healthy heart. For context, Biomedical Electronics Technicians and Engineers work on various aspects of the heart through technologies and solutions that play a vital role towards the betterment of cardiovascular wellness and health.

As such, the IECEP Biomedical Electronics Society (BES) and all IECEP Chapters are hereby enjoined to facilitate and create activities this February that will highlight further the role and importance of Biomedical Electronics Engineers in accordance to the aforementioned celebration.

Photo and Video documentations with Live Streaming on the Chapter FB Pages are highly encouraged, if applicable, to highlight the IECEP-wide support for such activities. In addition, Chapters are requested to share online collaterals through their respective social media channels either from IECEP National or from the official pages of concerned agencies. Physical Banners, as far as practicable, are likewise to be displayed, in your respective offices, if applicable.

It is understood that activities to be conducted in compliance to this Order shall be on the Chapter's financial account.

Accomplishment reports shall be compiled and submitted to the National Secretariat (secretariat@iecepnational.com) and the National Secretary General (secretary.general@iecepnational.com). Compliance to this Order shall be duly considered support to National issuances and related recognitions. Should you have
