SUBJECT: **AEROSPACE AND SPACE ENGINEERING SPECIALIZATION**

DATE **17 NOVEMBER 2023**

WHEREAS, the Institute of Electronics Engineers of the Philippines, Incorporated (IECEP) is a duly registered organization with the Securities and Exchange Commission (SEC) and Accredited Integrated Professional Organization of Electronics Professionals by the Professional Regulation Commission (PRC);

WHEREAS, the field of electronics engineering is continually evolving, encompassing a wide range of applications and technologies;

WHEREAS, IECEP recognizes the growing significance of specialization within the field, specifically in the areas of Aerospace (below 100km) and Space Engineering (above 100km);

WHEREAS, the Board has reviewed and considered the proposal for the establishment of Aerospace and Space Engineering as specializations within the organization;

NOW, THEREFORE, BE IT RESOLVED, that the Board approves the establishment of Aerospace and Space Engineering as a new specialization within the organization;

RESOLVED FURTHER, that the National Specialty/Specializations Committee is directed to develop guidelines and criteria for the implementation of these specializations, including but not limited to creation of relevant society, career progression and specialization program in relation to the requirements of the Professional Regulation Commission (PRC), educational programs, certifications, and professional development opportunities;

RESOLVED FURTHER, that the Board expresses its commitment to support the development and growth of these specializations, recognizing their importance in the advancement of the electronics engineering profession;

RESOLVED FURTHER, that this resolution, is the latest resolution adopted by the board and is valid and binding, and shall continue to be in full force, and effect until the same has been superseded, modified, revoked, amended or repealed;
